

The Numbers of your 2009 Optional Qualifiers are needed, please.

Please fill out this chart reflecting the number of 8's, 9's, & 10's who have qualified to States with the requested scores.

We don't need names right now, just numbers.

These will be used for planning Regional meets, especially the Level 8's, where the number of gymnasts allowed from each state is determined by a percentage of those qualified from all of Region 8.

Jennie needs these numbers by 3-9-09 Monday morning, 9:00 am.; in e-mail form, please.

Lets make sure that North Carolina has the availability of all the gymnasts for which we're entitled.
