

**NC USA Gymnastics Information Needed Please 3-1-10  
# of Qualified Gymnasts for State Meet**

In order for North Carolina to be sure that we have as many eligible gymnasts as possible go to Level 7 and 8 Regionals, I'm in need of the following information before March 8<sup>th</sup>. The number North Carolina may send depends on our % in proportion to all eligible from Region 8.

Here's what's needed:

Gym Name \_\_\_\_\_

Your # of Lv 7's who have qualified to NC's state meet w/ a 32.00 AA or higher  
\_\_\_\_\_

Your # of Lv 8's who have qualified to NC's state meet w/ a 32.00 AA or higher  
\_\_\_\_\_

Your # of Lv 8's who have scored a 34.00 AA or higher during the season.  
\_\_\_\_\_

Your # of Lv 9's who have qualified to NC's state meet w/ a 34.00 AA or higher  
\_\_\_\_\_

Your # of Lv 10's who have qualified to NC's state meet w/ a 34.00AA or higher  
\_\_\_\_\_

- Level 7 Regionals will be a little different this year. There will only be one NC team of 8. The other gymnasts who choose to participate will be selected from the next highest AA finishers at State Meet. The extra number of all stars that we will send are dependent upon our % from the Region 8 total. (This is the same as for Level 8)

There will be no petitions for Level 7 or 8 Regionals.

Level 7/8 Regionals will be in Tupelo, MS this year.

- Those wishing to enter gymnasts in the Prep Optional Regional (hosted by Southeastern Gymnastics in Charlotte) are reminded to send in your entries as soon as possible to ensure an early placement. Our NC team will be taken from the top 6 finishers of each level who wish to represent the state at Regionals. - Don't forget that entries to NC State meets are due to Meet Maker really soon

- **Rookie Prep is due Monday – March 1**
- **Level 7-10 and Novice/Premier/Prep I States are due March 8<sup>th</sup>.**
